GALIO STAR CORTEN AUTOMATIC

FREESTANDING OUTDOOR GAS FIREPLACE

Gas Technology

OPTIONAL GAS CYLINDER CASE

A matching corten case to aesthetically cover the gas cylinder.

STAR-SHAPED BURNER

This Galio has a unique star-shaped burner that creates an eye-catching multidimensional flame.

ROBUST DESIGN

The freestanding design and rusty finish make Galio Corten a perfect fireplace for outdoor spaces. It is resistant to severe weather conditions.

AUTOMATIC CONTROL

The device is controlled by an electronic system. To start the device or adjust the height of the flame you can use the control panel, remote or mobile application via the WiFi module. Galio is also compatible with Smart Home Systems.

REMOTE CONTROL

Control the fire with the remote, app on your smartphone or a home automation system.

OPTIONAL COVER

A dedicated fabric cover that protects the fireplace when not used.
